

 @sandhpltd

S&H Apprenticeships. The sector's next generation.

Why join us?

- We are committed to investing in new talent.
- We are renowned throughout Europe.
- We invest in our future and yours.
- We offer a £20k starting salary.
- We are the largest welded mesh manufacturer in the UK.

By joining our apprentice programme, you'll be helping us to forge the way for the next generation of manufacturers, allowing us to invest in both our future and yours.

Siddall & Hilton
Products Ltd

**Made in Yorkshire.
Delivered Internationally.**

Who we are.

@sandhpltd

We are on a mission to become Yorkshire's employer of choice! Here at Siddall & Hilton we're all about homegrown talent, which is why we invest so much time and money into developing our apprentices.

S&H Apprenticeships are designed to provide you with the benefits of being a permanent employee while you learn on the job.

We give you exciting, hands-on experience and strong industry knowledge. Our apprentices are supported and encouraged to bring forward new ideas and to work alongside our existing community team to maintain our international reputation.
